

Alien Sponsor Deeming Worksheet

When a person is a sponsored alien, follow the steps below to determine if and how much sponsor income to count (calculate per alien, not alien household). Regular deeming rules apply to parents or spouses who sponsor their child or spouse. Indigence and Deeming amounts are on Table V.

Part I

1. Is the alien only eligible for Emergency Medicaid or CHIP? ☐ Yes ☐ No
If **yes**, sponsor deeming does not apply. If **no**, continue to step 2.
2. Did the alien receive Lawful Permanent Resident status before Dec. 19, 1997? ☐ Yes ☐ No
If **yes**, do not deem. If **no**, go to step 3.
3. Does the alien meet one of these exemptions? ☐ Yes ☐ No
 - A. The alien is sponsored by an organization or group.
 - B. The alien is not required to have a sponsor under Sec. 205-2 #2A 1-6 (Refugee, Asylee, Deportation Withheld, Cuban/Haitian, Amerasian, or ½ American Indian born in Canada).
 - C. A Battered Alien within 12 months of receiving Battered Alien status.
 - D. Alien has earned or can be credited with 40 qualifying quarters of work.

If the answer is **yes** to any of the exemptions, no deeming is required. If **no**, go to step 4.

4. Does the alien meet the indigent criteria? ☐ Yes ☐ No
 - A. Count the gross income of the alien and spouse. Include any contributions. \$ _____
 - B. Count the actual value of in-kind income received. \$ _____
 - C. If the alien lives in the house of another and does not pay to live there, use the PMV amount in Table II. \$ _____
 - D. Total income. \$ _____
 - E. Alien's Household Size _____ Compare to Indigence Chart Table V _____

If the alien's income is less than the amount on Table V for the household size, the alien is indigent; no deeming is required for 12 months. Document the information in the case record. Send the names of the alien and the sponsor to the Program Specialist. Set an alert to review status for 12 months from the date you made the determination. If the alien is not indigent, go to Part II to determine the deemed income amount.

Part II

1. How many people are in the alien sponsor's family? (Use client's declaration) _____
2. Number of non-household members the sponsor is sponsoring? (Other than client) _____
3. Add 1 for the sponsored alien. 1
4. Does the alien have 2 or more sponsors (not husband and wife)? If yes, add the joint sponsor's household size in the calculation. _____

Total Household Size _____
5. Compare the household size to the 125% of FPL chart on the reverse side. _____
6. Actual amount given to alien by the sponsor. _____
7. Compare #5 and #6. Count the greater amount as the sponsor's deemed income. _____

Post the income attributable to the sponsored alien from #7 on the UNIN screen as OC__. Use the correct subcodes for the __, (AB for ABD; FC for FM). If you are using the subcode AB, post the income in the ABD column. **Do not count this as income to other HH members who are not sponsored aliens with the same sponsor.**

TABLE V SPONSOR DEEMING

Amounts Effective April 1, 2005

<i>Sponsored Alien Indigence Test</i>					
Alien's HH Size	Annual 133% FPL	Monthly 133% FPL	Alien's HH Size	Annual 133% FPL	Monthly 133% FPL
1	\$12,728.10	\$1,061	8	\$43,078.70	\$3,590
2	\$17,063.90	\$1,422	9	\$47,414.50	\$3,952
3	\$21,379.70	\$1,784	10	\$51,750.30	\$4,313
4	\$25,735.50	\$2,145	11	\$56,086.10	\$4,674
5	\$30,071.30	\$2,506	12	\$60,421.90	\$5,036
